Schedule #1—General Information

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Part 3: Schedules Required for New or Amended Applications

An X in the "New" column indicates a required schedule that must be submitted as part of any new application. The applicant must mark the "New" checkbox for each additional schedule submitted to complete the application.

For amended applications, the applicant must mark the "Amended" checkbox for each schedule being submitted as part of the amendment.

Schedule #	Schedule Name	Application Type	
		New	Amended
1	General Information	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
2	Required Attachments and Provisions and Assurances	<input checked="" type="checkbox"/>	N/A
3	Certification of Shared Services	<input type="checkbox"/>	<input type="checkbox"/>
4	Request for Amendment	N/A	<input checked="" type="checkbox"/>
5	Program Executive Summary	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6	Program Budget Summary	<input checked="" type="checkbox"/>	<input type="checkbox"/>
7	Payroll Costs (6100)	See Important Note For Competitive Grants*	<input type="checkbox"/>
8	Professional and Contracted Services (6200)		<input type="checkbox"/>
9	Supplies and Materials (6300)		<input type="checkbox"/>
10	Other Operating Costs (6400)		<input type="checkbox"/>
11	Capital Outlay (6600)		<input type="checkbox"/>
14	Management Plan	<input checked="" type="checkbox"/>	<input type="checkbox"/>
16	Responses to Statutory Requirements	<input checked="" type="checkbox"/>	<input type="checkbox"/>
17	Responses to TEA Requirements	<input checked="" type="checkbox"/>	<input type="checkbox"/>
18	Equitable Access and Participation	<input checked="" type="checkbox"/>	<input type="checkbox"/>
19	Private Nonprofit School Participation	<input checked="" type="checkbox"/>	<input type="checkbox"/>
21	Program Information Addendum	<input checked="" type="checkbox"/>	N/A

***IMPORTANT NOTE FOR COMPETITIVE GRANTS:** Schedules #7, #8, #9, #10 and #11 are required schedules if any dollar amount is entered for the corresponding class/object code on Schedule #6—Program Budget Summary. For example, if any dollar amount is budgeted for class/object code 6100 on Schedule #6—Program Budget Summary, then Schedule #7—Payroll Costs (6100) is required. If it is either blank or missing from the application, the application will be disqualified.

Part 4: Single Audit Compliance for IHEs and Nonprofit Organizations

INSTRUCTIONS: This part of Schedule #1 is required only for colleges, universities, and nonprofit organizations (other than open-enrollment charter schools)

Enter the start and end dates of your fiscal year in Section 1.

In Section 2, check the appropriate box to indicate whether or not your organization is included in the annual statewide single audit. Public IHEs are generally included, and nonprofit organizations are generally not included.

Section 1: Applicant Organization's Fiscal Year

Amendment # (for amendments only):

Part 1: Required Attachments

No program-related or fiscal-related attachments are required to be submitted with this grant application.

However, please note that nonprofit organizations, excluding ISDs and open-enrollment charter schools, will be required to submit proof of nonprofit status (see General and Fiscal Guidelines, Required Fiscal-Related Attachments, for details) prior to TEA issuing a grant award.

Part 2: Acceptance and Compliance

By marking an X in each of the boxes below, the authorized official who signs Schedule #1—General Information certifies his or her acceptance of and compliance with all of the following guidelines, provisions, and assurances.

Note that provisions and assurances specific to this program are listed separately, in Part 3 of this schedule, and require a separate certification.

X	Acceptance and Compliance

Schedule #2—Required Attachments and Provisions and Assurances

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Part 3: Program-Specific Provisions and Assurances☒ I certify my acceptance of and compliance with all program-specific provisions and assurances listed below.

#	Provision/Assurance
1.	The applicant provides assurance that program funds will supplement (increase the level of service), and not supplant (replace) state mandates, State Board of Education rules, and activities previously conducted with state or local funds. The applicant provides assurance that state or local funds may not be decreased or diverted for other purposes merely because of the availability of these funds. The applicant provides assurance that program services and activities to be funded from this grant will be supplementary to existing services and activities and will not be used for any services or activities required by state law, State Board of Education rules, or local policy.
2.	The applicant provides assurance that the application does not contain any information that would be protected by the Family Educational Rights and Privacy Act (FERPA) from general release to the public.
3.	The program will take place in a safe facility that is properly equipped and accessible to participants and family members.
4.	The proposed program was developed, and will be carried out, in active collaboration with the schools that participating students attend, including through the sharing of relevant data among the schools, all participants of the eligible entity, and any partnership entities in compliance with applicable laws relating to privacy and confidentiality and in alignment with the challenging state academic standards and any local academic standards.
5.	The program will target students who primarily attend schools eligible for schoolwide programs under ESEA as amended by Section 1114, and the families of such students.
6.	Applicants that receive priority points for serving: 1) students in schools implementing comprehensive support and improvement activities or targeted support and improvement activities under ESEA as amended, Section 1111(d) and other schools determined by the local educational agency to be in need of intervention and support and 2) students who may be at risk for academic failure, dropping out of school, involvement in criminal or delinquent activities or who lack strong positive role models assure that they will target these students.
7.	The community has been given notice of an intent to apply and that the application and any waiver request will be available for public review after submission of the application.
8.	The applicant will adhere to the level of services in the approved application and in the agreed-upon center operation schedules and will provide those services to eligible students through this and all continuation and renewal grant periods, as applicable. Applicant acknowledges that proposed amendments that reduce the level of services to below the Year 1 awarded application will be approved only in extreme or unusual circumstances and that failure to adhere to service levels and student targets will result in reduced funding during the subsequent continuation grant period. Grant funds remaining unexpended at the end of the expenditure reporting period for the grant award will not be made available by TEA to supplement continuation grant awards.
9.	Services for students and families will begin no earlier than the grant start date of August 1, 2018 and no later than September 4, 2018.

Schedule #2—Required Attachments and Provisions and Assurances (cont)

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Part 3: Program-Specific Provisions and Assurances

10.	<p>The applicant will adhere to a TEA-approved schedule that meets or exceeds program service requirements at each center and that provides a consistent and dependable schedule of weekly activities for all students enrolled. The applicant agrees to meet with TEA or its contractors after awards are announced and before the start date of the program to develop an approvable operation calendar for each center.</p> <ul style="list-style-type: none"> • A minimum of 35 weeks per year across all terms, including summer. TEA will count only the weeks in which a center offered the minimum number of hours-per-week toward the 35-week total. Make-up hours will be credited. The week runs from Sunday through Saturday. • A minimum of five days per week for the fall and spring terms. • A minimum of 15 hours per week (applicants should not propose to offer more than 20 hours of programming per week). Note: Transportation time that exceeds 30 minutes per-day shall not be counted towards minimum hours-per-week of programming. • A minimum of six weeks and four hours per day, four days per week during the summer term. Continuous weeks are not required. Grantees may offer four weeks of summer programming during the grant period that ends July 31, 2019, but if approved, the grantee must offer two weeks of summer programming in the subsequent continuation period between August 1, 2019, and the first student attendance day for the 2019–2020 school year. • Hours dedicated to program activities for adult family members will not count toward student programming.
11.	Services will be provided at no cost to participants. Grantees are prohibited from collecting fees, including late pickup fees or any other fee.
12.	Activities will be supervised at all times by qualified staff at adult to student ratios that meet or exceed TEC Chapter 25, Subchapter D requirements or other state required ratios as applicable.
13.	Center-level activities will be a minimum of 45 consecutive minutes in length and planned for each hour that a center is operating. Activities will be intentionally designed to address student needs and student voice, aligned with state standards and developed using a planning tool such as the Texas ACE© Activity/Unit and Lesson Plan Worksheet. Activities will reflect each of the following four components during each term: academic assistance, academic enrichment, family and parental support, and college and workforce readiness (grades 9-12 only).
14.	Academic, academic enrichment, accelerated learning, and tutoring activities will align with the regular school day program and state standards. Enrichment activities will enhance the academic-related activities of the regular day and/or be aligned with a documented student or campus need.
15.	All activities will occur at an approved center or, on a limited and pre-approved basis, at an adjunct site or during an approved field trip. Activities at a non-approved location, such as a feeder school, are unallowable and will not be charged to the grant.
16.	Grantee will offer families of students served by the program opportunities for active and meaningful engagement in their children's education and opportunities for literacy and related educational development. Family activities will be designed to meet the identified needs of each center's families and students; the needs of working families will be specifically addressed. Activities will be ongoing and consistently available throughout each term. The number of family members served will be proportional to the targeted number of students.
17.	All required staff positions will regularly participate in training and other opportunities offered by the Texas ACE© program. In addition, the grantee will regularly provide program-specific in-person training to center-level staff and will document the content and attendance of training events.

Schedule #2—Required Attachments and Provisions and Assurances (cont)

County-district number or vendor ID: 014909		Amendment # (for amendments only):
Part 3: Program-Specific Provisions and Assurances		
18.	Grantee assures that it will regularly engage a group of stakeholders, new or existing, to serve as a community advisory council charged with providing continuous feedback and involvement to increase community awareness and program quality, evaluate program effectiveness, and inform operations and sustainability plans. Membership will be diverse and qualified to support efforts to increase quality and visibility of the program in the community.	
19.	The grantee will cooperate with TEA and its contractors in conducting state-required activities, including but not limited to program implementation monitoring, statewide evaluation, compliance, technical assistance, and capacity building.	
20.	Local grant programs will include the Texas ACE© logo in all outreach and communication materials and the grantee will comply with Texas ACE© branding guidelines.	
21.	The applicant agrees to submit required data for state program evaluation, compliance monitoring, and federal reporting in the format and timeline provided by TEA. Grantee agrees to submit required logic models, sustainability plans, program evaluation reports, and any other required reports or products in accordance with the format provided by TEA.	
22.	<p>Grantee will adhere to the Texas 21st Century Student Tracking (TX21st) system data reporting requirements. Grantee Profile, Funding, Contacts, Partner, Center Profiles, Center Contacts, Center Operations, Feeder Schools, Activities, and Schedule data will be entered in August and will be updated as changes in any of the data occur. Center Operations data will be updated at the beginning of each term. Data entered in the system must support the approved application and operating schedule.</p> <ul style="list-style-type: none"> • Participant and enrollment data will be entered in August or September, depending on the center schedule. • Attendance data will be entered daily or weekly. • Exception reports and data corrections will be completed and reviewed by the project director • Grantee will coordinate with the school district to collect and enter school day attendance and grades data into TX21st. 	
23.	The grantee agrees to conduct annual local program evaluation at the center and grant levels that assesses the following objective measures: school day attendance, core course grades, mandatory discipline referrals, on-time advancement to the next grade level, high school graduation rates, and high school student career competencies. The results of the local evaluation will be used to refine, improve, and strengthen the local program and will be made available to the public upon request, with public notice of such availability provided.	
24.	Applicant will comply with any program requirements written elsewhere in this document.

Schedule #3—Certification of Shared Services

County-district number or vendor ID: 014909

Amendment # (for amendments only):

I, as one of the below member entity authorized officials, certify that to the best of my knowledge, the information contained in this application is correct and complete, that the entity that I represent has authorized me to file this application, and that such authorization action is recorded in the minutes of the local agency's board meeting.

The participating or intermediate education agency named has been designated as the administrative and fiscal agent for this project and is authorized to receive and expend funds for the conduct of this project. The fiscal agent is accountable for all shared services arrangement (SSA) activities and is therefore responsible for ensuring that all funds including payments to members of SSAs are expended in accordance with applicable laws and regulations.

All participating agencies have entered into a written SSA agreement that describes the responsibilities of the fiscal agent and SSA members, including the refund liability that may result from on-site monitoring or audits and the final disposition of equipment, facilities, and materials purchased for this project from funds specified below.

It is understood that the fiscal agent is responsible for the refund for any exceptions taken as a result of on-site monitoring or audits; however, based upon the SSA agreement, which must be on file with the fiscal agent for review, the fiscal agent may have recourse to the member agencies where the discrepancy(ies) occurred.

Any additional funds that result from an increase will not require additional signatures. **Each member identified below acknowledges accountability for the requirements contained in the provisions and assurances listed in Schedule #2, Parts 2 and 3, as applicable.** Each member entity certifies its agreement to participate in this SSA, as stated throughout this grant application.

Schedule #4—Request for Amendment

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Part 1: Submitting an Amendment

This schedule is used to amend a grant application that has been approved by TEA and issued a Notice of Grant Award (NOGA). **Do not submit this schedule with the original grant application.** Refer to the instructions to this schedule for information on what schedules must be submitted with an amendment.

An amendment may be submitted by mail **or** by fax. Do not submit the same amendment by both methods. Amendments submitted via email will not be accepted.

If the amendment is mailed, submit three copies of each schedule pertinent to the amendment to the following address: Document Control Center, Grants Administration Division, Texas Education Agency, 1701 N. Congress Ave., Austin, TX 78701-1494.

If the amendment is faxed, submit one copy of each schedule pertinent to the amendment to either of the following fax numbers: (512) 463-9811 or (512) 463-9564.

The last day to submit an amendment to TEA is listed on the [TEA Grant Opportunities](#) page. An amendment is effective on the day TEA receives it in substantially approvable form. All amendments are subject to review and approval by TEA.

Part 2: When an Amendment Is Required

For all grants, regardless of dollar amount, prior written approval is required to make certain changes to the application. Refer to the "When to Amend the Application" guidance posted in the Amendment Submission Guidance section of the Grants Administration Division [Administering a Grant](#) page to determine when an amendment is required for this grant. Use that guidance to complete Part 3 and Part 4 of this schedule.

Part 3: Revised Budget

Schedule #5—Program Executive Summary

County-district number or vendor ID: 014909	Amendment # (for amendments only):
Provide a brief overview of the program you plan to deliver. Refer to the instructions for a description of the requested elements of the summary. Response is limited to space provided, front side only, font size no smaller than 10 point Arial.	
<p>Temple Independent School District (TISD), a local education agency and recipient of Title 1 funds, along with the Ralph Wilson Youth Club and several other community partners are requesting consideration from the Texas Education Agency (TEA) for funding of the TISD ACE Program, an engaging out-of-school program specifically designed to improve student academic achievement and support overall student development in an economically disadvantaged community. Development of budget: The budget was developed in cooperation with TISD Superintendent, principals, and ACE Community Advisory Team (ACAT). Costs are based on "cost per center" formulas provided in the PRIME Blueprint for Texas ACE to ensure each center has sufficient resources to implement and efficient and effective ACE Program. District demographics relate to goals: TISD will serve 1,475 ACE students on 10 campuses (6 elementary, 3 middle schools and 1 high school) of which 4 are Focus Campuses and 2 are Priority Campuses. TISD is located along Interstate 35, 65 miles from Austin. Student populations for the target schools consist of 80.2% (3,111) Hispanic; 38% of the population are native Spanish speakers; 90.3% (3,504) low-income; 50.2 (1,951) at-risk students; 25% of the population do not have a high school diploma. In addition, the community of Temple has experienced an increase in family poverty over the past three years with 19.4% of the population living below the poverty level due to the decrease in manufacturing (U.S. Census, 2014). With 73.2% of the students classified as economically disadvantaged and 59.8% at-risk, it can be predicted that without expanded and innovative learning opportunities, more than 3,879 students who already experience added challenges associated with lower income and language barriers will also fail academically. The 2017 Texas Academic Performance Reports (TAPR) data demonstrates that TISD student performance in STAAR/EOC is below state results in reading, math, science, and social studies for all students tested. 58%, 68%, 70%, and 74% met STAAR standards in reading, math, science, and social studies respectively, compared to 75%, 72%, 79, and 77% and 77% statewide for Texas. TISD students targeted for the ACE Program did not meet the state average for any STAAR/EOC exams. Needs Assessment process: During the planning phase for the ACE Program, the district conducted comprehensive, systemic community and campus needs assessments to identify 1) specific needs of students, families and community; 2) determine the need for the after-school Centers; and 3) identify gaps in services in the community. The process was led and overseen by the Deputy Superintendent of Schools. The ACE Community Advisory Team (ACAT) consists of key district leaders (Superintendent, Deputy Superintendent, principals, educators), community members, partners and stakeholders. The ACAT will meet quarterly to review assessment and evaluation results and assess if the process needs to be updated. The assessments identified notable gaps and weaknesses related to district/campus resources and student support mechanisms that led to the design of the proposed ACE program. Management Plan: TISD has operated similar programs and is uniquely qualified to operate and manage an education grant of this magnitude. The district has established a comprehensive management plan to ensure the program provides consistent, high-quality management. Supervised by the Deputy Superintendent, the ACE Program will employ a full-time Project Director to provide overall leadership and oversight to ensure optimal programming. Site Coordinators will be hired for each Center to coordinate and ensure high-quality project services are effectively implemented. A Family Engagement Specialist will plan, coordinate and implement culturally relevant family programming at each site. Each Center will be regularly monitored by the Project Director and Site Coordinators to ensure the program receives consistent, high-quality management. Methods of Evaluation: Program evaluation will be conducted by an independent evaluator. Methods will include formative and summative evaluation based on processes outlined in the PRIME Blueprint for Texas ACE and will address whether or not 1) activities are being implemented as planned; 2) the project is making progress towards achieving its objectives; and 3) services are positively impacting proposed outcomes. To measure progress in defined program areas, data on TEA identified performance measures will be used to assess project implementation against each objective. Evaluation will include a comprehensive analysis of key program and participant data. TEA and Statutory Requirements: The application completely and accurately answered all 10 of the statutory requirements. Statutory Requirements: TISD has completely and accurately answered the requirements in the application by conducting a thorough needs assessment of student and family needs and allowing input from members of the ACAT to address each of the 10 statutory requirements. TEA Requirements: TISD has addressed the 3 TEA Program Requirements in a thorough manner and has described a) center-level information for each center; b) program management, center operations, and budget plan; c) conduct grant and center-level program evaluation including how the results will be used to improve operation and quality.</p>

Schedule #7	Payroll Costs (6100)	6100	\$1,118,335	\$0	\$1,118,335
Schedule #8	Professional and Contracted Services (6200)	6200	\$27,500	\$30,000	\$57,500
Schedule #9	Supplies and Materials (6300)	6300	\$119,000	\$0	\$119,000
Schedule #10	Other Operating Costs (6400)	6400	\$122,820	\$0	\$122,820
Schedule #11	Capital Outlay (6600)	6600	\$0	\$0	\$0
Consolidate Administrative Funds				<input type="checkbox"/> Yes <input type="checkbox"/> No	
Total direct costs:			\$1,387,655	\$30,000	\$1,417,655
4.653% indirect costs (see note):			N/A	\$65,963	\$1,483,618
Grand total of budgeted costs (add all entries in each column):			\$1,387,655	\$95,963	\$1,483,618
Shared Services Arrangement					
6493	Payments to member districts of shared services arrangements		\$0	\$0	\$0
Administrative Cost Calculation					
Enter the total grant amount requested:					\$1,483,618
Percentage limit on administrative costs established for the program (5%):					× .05
Multiply and round down to the nearest whole dollar. Enter the result.					\$74,181
This is the maximum amount allowable for administrative costs, including indirect costs:					

NOTE: Indirect costs are calculated and reimbursed based on actual expenditures when reported in the expenditure reporting system, regardless of the amount budgeted and approved in the grant application. If indirect costs are claimed, they are part of the total grant award amount. They are not in addition to the grant award amount.

Indirect costs are not required to be budgeted in the grant application in order to be charged to the grant. Do not submit an amendment solely for the purpose of budgeting indirect costs.

If selected for a competitive grant, your award amount will be the lesser of the grand total of budgeted costs as stated on this schedule (the box with the bold outline), or the sum of all line items listed on this schedule, or the maximum allowable award amount. TEA is not responsible for math errors.

Schedule #14—Management Plan

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Part 1: Staff Qualifications. List the desired qualifications, experience, and any requested certifications of the primary project personnel projected to be involved in the implementation and delivery of the program. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

#	Title	Desired Qualifications, Experience, Certifications
1.	Project Director	Master's in education or related field is preferred. A least five year's experience in an educational and/ or social work setting with supervisory experience of small to medium teams; experience in fiscal/budget management, data reporting, and management information systems; and evaluation; ability to communicate in native language(s) of program recipients
2.	Site Coordinator(s)	Bachelors in education or related field required; ability to maintain positive working relationships with public and frontline staff; strong organization and time management skills; excellent written and verbal communication skills; ability to communicate in native language(s) of program recipients preferred. 3 years teaching experience or working with youth required.
3.	Family Engagement Specialist	Bachelor's Degree in education or related field; Strong communication, public relations and interpersonal skills; familiar with the community/support agencies; adaptable to the needs of the families; work flexible hours; 3 year's experience working in an education, social service, or family support setting with families that have diverse cultures and economic backgrounds and effective parenting techniques; Ability to communicate in native language(s) of program recipients preferred.

Part 2: Milestones and Timeline. Summarize the major objectives of the planned project, along with defined milestones and projected timelines. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

#	Objective	Milestone	Begin Activity	End Activity
1.	Increase student academic performance by providing academic supports	1. Coordinate ACE academic supports with teachers	08/01/2018	08/15/2018
		2. ACE academic lessons and supports finalized	08/15/2018	09/03/2018
		3. At-risk students identified	08/16/2018	09/03/2018
		4. Individual Education Plans created for all students	09/06/2018	10/01/2018
		5. Students receive tutoring/homework support	09/06/2018	07/12/2019
2.	Improve student attendance by engaging students and parents in programming	1. Implement extensive ACE marketing/outreach plan	08/01/2018	09/03/2018
		2. Finalize engaging enrichment programming	08/15/2018	09/03/2018
		3. Students engaged in enrichment programming	09/06/2018	07/12/2019
		4. Parent University established and meets regularly	10/01/2018	07/31/2019
		5. Saturday Academies/parenting involvement begins	09/10/2018	05/08/2019
3.	Improve student behavior by engaging students and parents in programming	1. Social-emotional learning promoting healthy choices	09/06/2018	07/21/2019
		2. Training to increase parental school involvement	09/10/2018	05/28/2019
		3. Parent and youth communication skills training	09/10/2018	05/28/2019
		4. Parent University provides parent training	09/10/2018	05/28/2019
		5. Strong Fathers/Strong Families support provided	09/10/2018	05/28/2019
4.	Improve student promotion rates by providing academic support	1. Targeted evidence-based academic literacy support	09/06/2018	07/21/2019
		2. STAAR/EOC-aligned tutoring and test preparation	09/06/2019	07/21/2019
		3. Enrichment activities that compliment school work	09/06/2018	07/21/2019
		4. College and career awareness activities provided	09/06/2018	07/21/2019
		5. Professional development for teachers	09/06/2018	07/21/2019
5.	Improve student graduation rates through college-career readiness	1. Serve students most in need of academic support	09/06/2018	07/21/2019
		2. Student receive targeted instruction/tutoring	09/06/2018	07/21/2019
		3. Student receive standardized test preparation	09/06/2018	07/21/2019
		4. Career exploration and college preparation activities	09/06/2018	07/21/2019
		5. Introduction to college & careers through college visits	09/10/2018	05/28/2019

Unless pre-award costs are specifically approved by TEA, grant funds will be used to pay only for activities occurring between the beginning and ending dates of the grant, as specified on the Notice of Grant Award.

Schedule #16—Responses to Statutory Requirements

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Statutory Requirement 1: Describe how the eligible entity evaluated community needs and resources. Describe the results, including the resources available in the community, and how the program strategies and activities proposed to be carried out in the center(s) will address those needs. Specifically address the needs of working families. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

Evaluation of community needs and resources: The ACE Community Advisory Team (ACAT) conducted a comprehensive community and campus needs assessments during the planning stages of the ACE Program to identify the specific needs of students, families, and the community as well as to identify campuses most in need of out-of-school time services. Several data sets including campus level data, student level deficiencies, and student and parent voice were compiled and reviewed. Assessments conducted at each proposed campus identified multiple available resources to support the ACE program including the use of all facilities, classrooms and administrative services at no-cost to the program. With the exception of requested items in the budget narrative, TISD will provide resources such as computer labs, libraries, gymnasiums, security and janitorial service, classroom technology, calculators, lab supplies, software, textbooks, etc. **Identified needs and resources:** The assessment process identified notable gaps and weaknesses related to infrastructures, resources, and support mechanisms that lead to the signed of the proposed ACE Program. The 2017 TAPR (TEA) District Reports reveal that TISD has 8,606 students enrolled (K-12th grade) on 15 campuses (eight elementary, three middle, one high school, 2 Alternative Campuses, and an Early Childhood Center). TISD consists of **43.4% (3,735)** Hispanic students; **27.5%** African American (2,366) **73.2% (6300)** low-income, and **59.8 (5,148)** at-risk students. All campuses significantly exceed the **40%** economically disadvantaged status as well as At-Risk of **>50.3%** (TEA, TAPR, 2017). **25.6%** of the residents do not have a high school diploma while **19.4%** of the families fall below the poverty level (**15.6%** is the state average). Research indicates that children who reside in low-income, under-educated homes are at a tremendous disadvantage economically due to the family's focus on survival rather than academic success (NCES, 2016).

Target TISD Schools	# Students	# AA/Hisp	# Low-Income	# At-Risk	Priority/Focus
Temple High School	2,070	672	1,224	1,208	
Bonham Middle School	493	314	324	264	Focus Campus
Travis Science Academy	513	504	337	448	Focus Campus
Lamar Middle School	597	438	487	425	Focus Campus
Western Hills Elementary	401	285	320	223	
Raye-Allen Elementary	494	372	400	350	Priority Campus
Jefferson Elementary	753	567	625	442	Priority Campus
Kennedy-Powell Elem	485	293	325	197	Focus Campus
Thornton Elementary	586	368	390	321	
Cater Elementary	372	240	284	236	

Students at the targeted elementary campuses for the ACE Program scored **62.5%** in reading and **62.1%** in math which below the state averages (**72%** in reading; **79%** in math). At the middle school campus (6-8 grades), **63%** of the students passed reading, **67.6%** passed math, **67.6%** passed science. Again, these scores fell short of the state averages (**75%** in reading, **72%** in math, **72%** in science). In fact, students enrolled in the targeted campuses scored below the state average in all STAAR assessments. **How the ACE Program will address identified needs:** TISD used a strategy formulation process to ensure that the most appropriate strategies and program services would address and remedy the needs of students and families. The planning process included a "needs inventory" conducted by surveying campuses to identify current and existing out-of-school services as well as gaps in services. Once gaps in services were identified, educators, parents, students, and key partners initiated a planning process to design the most effective and appropriate out-of-school program to remedy the identified at-risk factors. To address the needs of working families, parent engagement activities will be offered during the ACE Program Academies one night each month beginning upon commencement of the program. The Family Engagement Specialist (FES) will closely evaluate parent surveys and feedback from parents to ensure that programming topics, times, and locations are effectively meeting the needs of working families. The FES will work with the Project Director, Site Coordinators, and Partners to develop a systematic plan to gather ongoing information about family needs throughout the year to ensure that the program activities continuously respond to ACE working families' needs.

Schedule #16—Responses to Statutory Requirements (cont.)

County-district number or vendor ID: 014900

Amendment # (for amendments only):

Statutory Requirement 2: Describe the planned partnership between the applicant and the proposed eligible partner organization(s) listed on Schedule 3 – Certification of Shared Services, including how the partnership will contribute to achieving stated objectives and sustaining the program over time, or provide evidence that the LEA is unable to partner with a community-based organization in reasonable geographic proximity and of sufficient quality to meet the requirements. *Check the box that applies to this application. Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.*

☒ This applicant is part of a planned partnership.☐ This applicant is unable to partner.

To accomplish the ambitious goals and objectives of the Temple ISD ACE Program and achieve all Statutory and TEA Program Requirements TISD has solicited and received commitments of participation from several key community partners. However, the core partner, The Ralph Wilson Youth Center is able to share almost 50 years of experience, resources and tools. The Ralph Wilson Youth Club has participated in the district and community needs assessment process for the ACE Program and has attended planning meetings with staff during the organization of the ACE Program. The Ralph Wilson Youth Club's proposal and agreement is designed to specifically meet the identified needs of TISD students and families. The Club will partner with Temple ISD to implement the ACE Program at each of the 10 centers. The Ralph Wilson Youth Club has vast experience in programs for at-risk youth. The comprehensive evidence-based programs offered by the Club are responsive to student, staff, and community needs and includes activities that enhance academic success, provide leadership, character development, career readiness, and opportunities for students to express and improve themselves in areas such as the arts and STEM-related activities. The club has a significant data base of practices and resources that have proven effective. Of special interest are programs that address identified needs of TISD at-risk students such as 1) dropout prevention; 2) credit accrual; 3) course completion.

The Ralf Wilson Youth Club will offer academic programs which have a significant positive resource base such as: Enhanced STEM/Club Tech, Brainstormer Literacy Intervention, I Heart Arts, and BE GREAT – Graduate dropout prevention. In addition, the Club will involve ACE students in the following programs: 1) **Power Hour: Making Minutes Count** which helps students achieve academic success by providing homework support, tutoring and technology engaged activities. The program provides ACE students assistance, resources and guidance in a safe place and under the supervision of qualified tutors. This program will encourage students to develop a daily habit of completing homework and studying, in a dedicated space with adult support, **Power Hour** will help students make a commitment to school and learning. 2) **ImageMakers** will help ACE students learn the art and science of photography through multiple categories: Culture and Tradition, Portraits, Nature and Surroundings, Fashion and Style, and Editing and Filter. Photographs are displayed at local and regional exhibits. 3) **CyberSafety**, cyberbullying awareness and prevention program, will provide students with the knowledge and skills necessary to create and promote a civil, safe online culture. 4) **Money Matters** will promote financial responsibility and independence for students by teaching them to manage a checking account, create a budget, save and invest, start small businesses and pay for college. 5) **DramaMatters** is a drama education program for students that will encourage students to engage in hands-on activities and is proven to build self-confidence, sparks creativity and boosts academic achievement. 6) **Triple Play** is a comprehensive health and wellness program for students that will strive to improve the overall health of students by increasing daily physical activity, teaching them about good nutrition and helping them develop healthy relationships. 7) **diplomas2Degrees (d2D)**, a college readiness program, will provide a range of services to guide students as they work toward high school graduation and prepare for post-secondary education and career success.

Schedule #16—Responses to Statutory Requirements (cont.)

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Statutory Requirement 3: Describe how the proposed program will impact performance, attendance, discipline referrals, advancement, and, if applicable, high school graduation rates and career competencies. If the program proposes to impact additional local measures or objectives, state those here and describe how the program is designed to impact those. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

The ACE Blueprint with years of research in effective after school programs, served as a model for TISD's ACE Program. **Academic performance** will be achieved via a multi-tiered intervention system utilizing Strategic Tutoring Strategies. All students will be provided with homework assistance and study skills using current homework assignments. Targeted students will be provided with tutors who are subject matter experts; Site Coordinators (SC) will help coordinate instruction between the students' campus teachers, tutors and parents. For identified students, the Project Director (PD) and Site Coordinator (SC) will develop a support system that allows for each student's progress to be reviewed by a System of Support (SOS) Team (composed of Center staff, teachers, administrators and content experts) who will make recommendations for individual interventions for students based on their benchmark testing, previous standardized STAAR tests, TPRI results, and universal screening assessments. ACE teachers will document skills that students need to work on to be successful with these assignments, and will tutor students individually on these missing skills. Each SC will communicate with regular classroom teachers on a weekly basis to discuss students' progress, make changes in the student's after school plan, and set new goals for the student. The ACE Program will give students a chance to apply the skills that have been taught in the regular classroom and "fine tune" the skills needed to carry out project-based lessons. The ACE Program will provide extra academic assistance and support in the form of tutoring and homework assistance for students struggling in the core subject areas. **Attendance:** SCs will work with each student and their parents to develop an individual attendance plan. The SC will follow up with students and parents when a student misses more than two consecutive days of school and/or afterschool attendance. Only 3 campuses have attendance rates that are equal to or greater than the state average (TAPR, 2017). Students (grades 3-11) were surveyed and ask to list activities that would make them "most likely" to attend the program on a sustained basis. Using that information, Centers will: 1) provide instructional staff that are familiar faces to the students for comfort, promote continuity, and provide a sense of security for both the students and their parents; 2) provide exciting, fun, and engaging learning enrichment activities in abundant variety to allow for student choice; 3) offer enrichment activities correlated to TEKS to strengthen creative expression, critical thinking and problem solving skills; 4) students will participate in unique educational field trips as well as physical fitness activities, fine arts, and foundation curriculum; 5) after school project-based classes with real-world connections will enable students to use multiple skills. These hands-on projects will ask students to reflect on what they have observed and draw conclusions; 6) technology will be used for research skills as well as to increase students' communication skills. **Discipline Referrals:** TISD uses Positive Behavior Intervention and Support (PBIS) as a discipline framework. The SC will work with the campus PBIS teams to align behavioral strategies with those used during the school day for consistency. Training for ACE Program staff in Second Step (elementary) and SMART (secondary) will be held to support behavior strategies. Excellent behavior will be recognized at Awards Ceremonies throughout the year with families invited. Multiple family events and parent/child activities will be offered encouraging positive behavior. Small group counseling will be available to increase well-being and reduce referrals. It is believed that giving students choices/voices in activities offered will increase active participation thereby reducing discipline incidences. **Grade Promotion Advancement:** The PD and SC assure that they will work with campus and district staff to target students who are most at risk of not advancing to the next grade level. Increased availability of academic help through the ACE Program will increase grade promotion rates. The ACE Program strategies will emphasize student advocacy and goal setting to motivate students to complete school. Students will have a voice in program offerings giving students ownership and instilling a sense of pride. **High school graduation rates/career competencies:** SC will identify at-risk students and provide them with an after-school mentor. Community volunteers will also be available to serve as mentors. SCs and counselors will assist students in identifying future expectations they have and point them in the direction to fulfill their expectations. Secondary students will be given access to online credit recovery, college preparation, and career exploration opportunities. Increasing knowledge regarding the benefits of college and career preparation will be the focus of the ACE Program's graduation initiative. Furthermore, the Family Engagement Specialist will work with each ACE Center to increase parental involvement which will contribute to improved academic achievement and student success (Harvard Research Study, 2016). College and career activities such as family career nights, college visits, scholarship and financial applications will be held. Students at all grade levels will participate in college/workforce readiness and awareness activities. College partnerships will assist students in discovering careers through a program entitled "Your Future is Wide Open" which will introduce students to career assessment programs with facts about more than 500 specific careers. College and Career activities will be integrated with each ACE enrichment activity.

Schedule #16—Responses to Statutory Requirements (cont.)

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Statutory Requirement 4: Explain how the program will use best practices, including research or evidence-based practices, to provide educational and related activities that will complement and enhance academic performance, achievement, positive youth development of the students, and, if applicable, postsecondary and workforce preparation. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

Weekday before and after school academic instruction: TISD has planned the proposed ACE Program using evidence-based practices. The "What Works Clearinghouse" website was reviewed often and research studies cited on this website were consulted when considering programs to be offered in the after-school program. The Ralph Wilson Youth Club will partner to implement the ACE Programs at all Centers. The Club has almost 50 years of experience in programs for at-risk youth and a significant data base of practices and resources that have proven effective. Of special interest are programs that address drop-out prevention, credit accrual and course completion. Academic programs that have shown positive results are Enhanced STEM/Club Tech, Brainstormer Literacy Intervention, and Graduate Dropout Prevention. The ACE Program will promote healthy lifestyles both physically and emotionally through the Coordinated Approach to Child Health (CATCH), which has over 100 peer-reviewed studies proving that it reduces childhood obesity. Other programs to be implemented are Passport to Manhood and Skills Mastery and Resistance Training (S.M.A.R.T.). Another source of research-based information used in planning the ACE Program is the *ACE Blueprint* for Cycle 10. This Blueprint uses state, regional, and national networks and resources and strategies for identifying best practices. Post-secondary and workforce preparation best practices were obtained through such reports as "Review Protocol for Studies of Interventions to Support the Transition to College," Version 3.1 from the "What Works Clearinghouse website. This review focuses on interventions for middle, high and postsecondary students that aim to promote successful transitions into postsecondary education with a primary focus on increasing postsecondary enrollment and retaining students in postsecondary institutions once enrolled. Collaborative Learning methods have a strong research based as outlined in the work *Powerful Learning: What We Know About Teaching for Understanding* (Linda Darling-Hammond, 2010). Elements of Collaborative Learning are essential in the ACE Program: positive interdependence; individual processing; social interaction; and group processing (Johnson, 2015). Furthermore, research supports that students who participate in targeted and structured after-school academic programs demonstrate an increased knowledge in core academic competencies and performance (*After School Programs in 21st Century: Their Potential and What It Takes to Achieve It*; Little, Wimer, Weiss, 2016). The hours after school, between 3 p.m. and 6 p.m., offer opportunities for juvenile crime and other risky behaviors such as drug and alcohol use. Research and evaluation studies have shown that participation in afterschool programs have a positive impact on juvenile crime and help reduce pregnancies and drug use (Goldschmidt, Huang, & Chinen, 2007; Philliber, Kaye, & Herrling, 2001; Philliber, Kaye, Herrling, & West, 2002). Several studies have demonstrated that students who participate in after-school programs achieve higher grades and higher standardized test scores than students who do not participate in after school programs (Shernoff, D., 2016). The ACE Program has been specifically designed to utilize this research evidence and best practices to provide educational and enrichment activities that complement and enhance academic performance, achievement, college readiness, workforce preparation and positive youth development of participating students. To ensure students are mastering TEKS and STAAR/EOC concepts and skills, the ACE Program compliments daily learning and academic instruction with targeted extended day learning opportunities both before and after school. All 10 ACE centers will offer after school learning supports and intervention activities for students three hours Monday- Friday. Tutoring and hands-on learning activities will be designed to support students in 1) increasing proficiencies in core academic subjects; 2) meeting state and local academic achievement standards; 3) ultimately graduate college and be career ready. **Parent Academies:** Evidenced-based research and studies further indicate that increased parent involvement has a positive impact on the students' development and mastery of basic skills needed for future success in school. Research demonstrates that students with higher parental involvement in their academic careers, overall demonstrate significant higher grade point averages and master of basic skills (Topper, D., et al, 2011). Utilizing this research, the ACE Program incorporates Parent Academies once a month from October to April. These Academies will provide opportunities for parents and students to come together to participate in engaging learning activities; provide parents insight into what their child is learning in school; allow parents to increase involvement in their child's learning and gain skills to effectively support student learning at home. **Summer Learning Institute:** Supported by evidence which demonstrates that summers spent without learning significantly contributes to the underachievement of students (Smink, J. 2014), the ACE Program will host a 6-week Summer Learning Institute. The Institute will focus on STEM fields and the Institute will utilize methods of effective/promising programs (experimental learning techniques, field-based instruction).

Schedule #16—Responses to Statutory Requirements (cont.)

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Statutory Requirement 5: Describe the proposed program activities and how they are expected to improve student academic achievement and overall student success. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

Improving student individual achievement and campus achievement at the ACE Centers will be done by initially selecting students that are the "most in need" of assistance. Once these students are identified, the Project Director and Site Coordinator will develop a support system that allows for each student's progress to be reviewed by a *System of Support (SOS) Team* (composed of Center staff, teachers, administrators and content experts) who makes recommendations for individual interventions for students based on their benchmark testing, previous standardized STAAR/EOC tests, TPRI results, and universal screening assessments. These students will be grouped during homework and tutorials with grade level peers and teachers so they can focus on grade level assignments. The teachers in the program will have documentation of the skills that these students need to work on to be successful with these assignments, and will tutor students individually on these missing skills. Each Site Coordinator will communicate with the regular classroom teachers on a weekly basis to discuss these students' progress, make changes in the student's after school plan, and set new goals for the student. The ACE Program will give students a chance to apply the skills that have been taught in the regular classroom and "fine tune" the skills needed to carry out project-based lessons. The Program will provide extra academic assistance and support in the form of tutoring and homework assistance for students struggling in the core subject areas. By participating in this project-based learning component of the program, students will gain technology skills, improve communication skills, and increase collaboration skills. By working in groups students will develop a plan of action that will include collecting background research, implementing a plan using the scientific method, communicating with mentors, creating presentations and compiling a digital notebook according to specified guidelines. All activities will be age-appropriate. The overarching goal of the ACE Program is to provide an accessible programming for students, families, educators and the community which will improve the following outcomes for students: 1) Academic performance; 2) Attendance; 3) Positive behavior; 4) Grade promotion rates; 5) Graduation rates. The ACE Program and the partners will provide a comprehensive Program that will allow each student to participate in activities that best suit their needs for improving academic achievement and having success. A balance will be sought between "extended learning" and enriched learning". Extended learning will be tightly aligned with the school day in the form of targeted tutoring and homework assistance provided by highly qualified tutors and off-duty certified teachers. Extended learning will be flexibly aligned with the school day and take many forms including project-based learning and hands-on experimental activities. Activities to improve student achievement levels will include accelerated education activities and age and developmentally appropriate academic enrichment learning programs to support students to improve academic achievement through: 1) Project based enrichment activities; 2) Tutoring and homework assistance; 3) Targeted literacy strategies; 4) Numeracy \Study skills development; 5) STAAR test preparation. This approach will rely upon innovative teaching strategies as well as technology-based, hands-on activities aligned with students' interests. Students needing additional assistance will receive individual or small group tutoring that will be directly aligned with classroom instruction. Extra time for academics will be balanced with a variety of engaging and structured co-curricular activities that promote youth development, supports improved academic performance, and compliments the regular academic program such as: 1) youth leadership and character development; 2) arts programming (music, dance, theatre, educational field trips; 3) career exploration and workforce preparation (middle/high school; 4) STEM project-based learning; 6) social emotional learning opportunities (drug and violence prevention programs, bullying prevention). Each center will have autonomy to implement strategies aligned with their respective Campus Improvement Plan and will utilize its individual campus needs assessment and students' academic data to implement academic and enrichment programs that improves student behavior and effectively increases student performance and overall success. In addition, to ensure that student data is always current, TISD will adhere to the Texas 21st Century Student Tracking (TX21st) system data reporting requirements and assures that all data will be entered in August 2018, and will be updated as changes in any of the data occur. Center Operations data will be updated at the beginning of each term. Data entered in the system will support TISD's application and operating schedule. Participant and enrollment data will be entered in September 2018; attendance data will be entered daily or weekly; exception reports and data corrections will be completed and reviewed by the project director; each SC will coordinate with the campus to collect and enter school day attendance and grades.

Schedule #16—Responses to Statutory Requirements (cont.)

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Statutory Requirement 6: Describe the applicant's plan to disseminate information about the community learning center, including its location, to the community in a manner that is understandable and accessible. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

TISD's ACE Program will use multiple media tools to communicate with students, teachers, parents and the community. The Program Director, Site Coordinators, Family Engagement Specialists and all key partners will be devoted to the outreach and marketing efforts to ensure local residents are fully aware of community learning centers, educational opportunities, locations, schedules and campus contacts. Program staff will work closely with participating school administrators and staff at each center/campus, key partners, local community and faith-based organizations and other youth-serving entities to disseminate program information and implement an extensive marketing/community outreach initiative which will include: 1) promoting the ACE Program by utilizing the district's and key partners' websites and social media pages (Facebook, Twitter); 2) creating and distributing informational flyers, brochures, and district newsletters (electronic and hard copies) to partner organizations, students, parents, caregivers, teachers, and community; 3) distribute flyers and posting of large informational signs throughout local neighborhoods and communities; 4) public service announcements and press releases; 5) posting of information in local newspapers; 6) announcements and presentations at new student/parent orientation, monthly/quarterly district, campus and parent meetings. To ensure that all outreach efforts are understandable, accessible, and transparent, marketing information will be available in both English and Spanish. All TISD ACE materials will include the Texas ACE branding in program materials.

This extensive outreach campaign will commence immediately upon award of the grant project. Site Coordinators will play a critical role in community-wide dissemination of information and in student recruitment efforts by making presentations at various school events and functions including PTA meetings and Parent University meetings, Back to School Nights, student assemblies, in-school announcements and all staff meetings. Site Coordinators will also set up informational displays at participating campuses, local community events, recreation centers, and community organizations.

Upon program commencement, the program will regularly communicate program information through: 1) district website and monthly e-newsletters - a website will offer a link to each campus/center to view a monthly newsletter; 2) campus marquees will advertise the ACE Program; 3) each campus has a Blackboard phone system that will call parents and students and update them on the ACE Program; 4) quarterly newsletters distributed to community all ACE Program students/parent; 5) the Project Director will give quarterly reports to the Superintendent and Board of Trustees detailing program progress.

Schedule #16—Responses to Statutory Requirements (cont.)

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Statutory Requirement 7: Please describe the transportation needs of participating students and how students participating in the program will travel safely to and from the center(s) and home. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

How Students Will Travel Safely To/From the Center and Home: Each of the centers will provide transportation to and from the centers at no cost to students' families. Student participants will attend the ACE programming at their respective home campuses; therefore, there is no required travel to the center at the end of the regular school day. Students will be escorted by the regular classroom teachers to their designated ACE Program area at the end of the regular school day and once the ACE program is over, students will be escorted by ACE staff to the bus pick-up area for their bus ride home. Parents or their designee (signature on file) may pick up the student at any time during the after school/summers hours.

Schedule #16—Responses to Statutory Requirements (cont.)

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Statutory Requirement 8: Describe how the eligible entity will encourage and use appropriately qualified persons to serve as the volunteers. Explain the policy for screening and placing volunteers. If the entity does not plan to use volunteers, please indicate that in the space provided. (Choosing not to use volunteers will not lower review scores).

Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.

The ACE Program is eager to enlist the support of volunteers of all ages to engage student participants in ongoing learning and enrichment activities and incorporate senior citizens in a peer education volunteer model. This model includes the establishment of a Parent University which will include trained and qualified parents, grandparents and senior citizens to be effective volunteers in after-school, weekend and summer activities with both students and parents. 7.9% TISD students are being raised or supervised after school by their grandparents as compared to 7.6% of children in Texas (The Brookdale Foundation Report, 2017). Nationally, 6.3% of the students in public schools live with their grandparents. As a result, grandparents have valuable input and feedback regarding their grandchild's education. Research indicates that older adults are proving to be effective tutors and mentors and that senior individuals demonstrates key factors needed to make a difference in the lives of students including patience, taking the time to listen to children, and the capacity to be responsible and show up to events consistently (United Way, 2016).

The TISD ACE Program will readily welcome and solicit the volunteer support of senior individuals. The ACE Program and Parent University will train qualified senior individuals to be effective volunteers. The ACE Site Coordinator will match senior interests and abilities with ACE students for after school and summer activities. TISD and partners will recruit senior volunteers from a wide range of organizations such as the Temple Senior Citizen Center, Retired Teachers and local churches. Senior volunteers will be trained in evidenced-based after school support strategies. Activities for seniors may include: 1) student tutoring/homework assistance; 2) storytelling and reading support; 3) student writing projects; 4) arts and recreational activities; 5) coordination of enrichment activities, family engagement events; 6) STEM Summer Learning Institute. Senior volunteers may serve as chaperons during field trips and may assist the Site Coordinator in the transition of students from school to the ACE Program during after school hours. All volunteers must pass a criminal background check prior to working with students.

Schedule #16—Responses to Statutory Requirements (cont.)

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Statutory Requirement 9: Describe a preliminary plan for how the community learning center will continue after funding under this grant ends, including how the resources provided by this grant will assist the program in local sustainability efforts. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

TISD and partners are committed to and confident of sustaining the ACE program once the grant period has passed. Since the fall 2017, the ACE Community Advisory Team (ACAT) has discussed all aspects of the 21st CCLC Program and much time and discussion has been given to sustaining the programs after funding ends. The ACAT studied the research done by The Finance Group (2016) and examined interviews with 22 current and former 21st CCLC grantees that have had success with sustainability. Although no state data exists, this study noted that 100% of the programs have sustained programming with more limited funds but the same scope and quality. **Preliminary plan for how the community learning center will continue after funding under this grant ends:** TISD understands the importance of sustaining effective and much needed academic and enrichment programs particularly when the program directly affects the success and futures of at-risk and economically disadvantaged children and families. The ACE Program has the endorsement and support of the district's top leadership, including the Board of Trustees. The district is committed to sustaining the ACE Program after funding ends as evidenced by a written letter of support for sustainability signed by the Board of Trustees (*see attachment – 5 Priority Points*). Plans of sustainability of the ACE Program will be an ongoing focus of the ACE Community Advisory Team (ACAT). In addition to providing overall program and operation direction, the ACAT is charged with developing a realistic sustainability plan for the ACE Program. The first recommendation of the ACAT was to place the program in a division under which it could access resources from similar programs which would establish a strong organizational base for the program. TISD placed the ACE Program at the district office under the Deputy Superintendent of Schools where it will have access to an array of resources and student programs available within the Deputy Superintendent's oversight of federal and state programs. All resources will supplement, not supplant local, state, or federal expenditures or activities. TISD and the partners ensure that the needs of the community are driving this program and that the community is aware of the unique and worthwhile services the ACE Program is providing. **Sustainability plan:** During Year 1, the ACAT will undertake an ongoing assessment of the community's local resources to identify and establish collaborative relationship with community partners (banks, businesses, community organizations) with the potential to support ACE programming through a variety of means. The ACE PD and ACAT representatives will meet with local banks to solicit future financial assistance, grant support, or volunteers to assist with workshops such as adult financial literacy, financing a college education, etc. Local businesses and community organizations will also be called upon to provide real-world learning opportunities that teach students new skills, civic responsibility and social consciousness through both project-based and community-based service learning projects. The ACAT Sustainability Plan will use the following strategies: 1) establish a collaborative relationship with community partners and the Chamber of Commerce to support programming; 2) immediately after award is announced, the ACAT will begin efforts to research and identify additional corporate, foundation, and government grant funding opportunities to sustain program activities; 3) TISD staff will collaborate through various media outlets to attract potential funders such as KWTX-TV's Everyday Moms Program that will highlight ACE activities monthly; 4) the ACE Program will host philanthropic engagement events such as open houses to showcase the program and solicit feedback future funding from individual, corporate, and foundation donors; the ACE Program will turn to current partners for in-kind services to support ongoing activities. A timeline for the sustainability plan follows:

Timeline	Sustainability Activity
Sept. 2018	Promote TX 21 st CCLC award through various media outlets
Sept. 2018	Center level Logic Models will be developed to provide tools for sustainability
Sept. 2018 – Aug 2019	Establish collaborative relationships with community partners
Dec 2018-Aug 2019	Research, identify, and apply for external grants focusing on after school programs
Sept 2018 – Aug 2019	Work with partners to create marketing and fundraising events
Sept 2018 – Aug 2019	Host philanthropic events and fundraising events
Sept 2018 – Aug 2019	Work with partners to pool resources that will sustain ACE Program

In addition, TISD will concentrate on making the ACE Program truly collaborative by 1) leveraging funding from local district budgets, Title I, State Comp funds, and local foundations; 2) prove and document the quality of the program so information will be available when seeking support beyond the grant period; 3) seek out "Champions" who are leaders in the community that will serve as a champion for the program by raising public awareness and leverage new sources of funding; 4) celebrate successes of the program and have these successes publicized across all centers.

Schedule #16—Responses to Statutory Requirements (cont.)

County-district number or vendor ID: 014909

Amendment # (for amendments only):

Statutory Requirement 10: Demonstrate how the proposed program will coordinate federal, state, and local programs and make the most effective use of public resources. In doing so, address how the program plans to supplement existing programs and services on the campus(es) to be served. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

Coordination with federal, state, and local programs: Temple ISD is committed to ensuring the effective and efficient coordination of the ACE Program with schoolwide programs under ESEA Section 1114, which states, in general, that a local education agency may consolidate and use funds under this part, together with other federal, state, and local funds in order to upgrade the entire educational program at a school that services an eligible school attendance areas in which not less than 40 percent of the students enrolled in the school are from low-income families. All of the targeted elementary campuses are Title 1 Schoolwide Programs and are currently receiving Title 1 Part A funds and are used to provide supplemental personnel, programs and materials for academic intervention as well as research-based, effective parent education programs. The ACE Program will enable the district to enhance current intervention programs by extending academic help for at-risk students in the before and after school hours as well as provide an array of motivational and enrichment opportunities to engage hard-to-reach students and keep them involved in school activities. This will increase self-esteem, positive social interaction, and contributing to the ACE Program goals of increased academic performance, increased attendance, and promotional and completion rates.

State Compensatory Education funds are used primarily to provide academic intervention personnel, programs and materials at each non-Title 1 campuses to fund reading, math and dyslexia interventions, two teacher support aides, and an In School Suspension (ISS) paraprofessional at the elementary campus; reading and dyslexia interventionists at the intermediate campus, a dyslexia interventionist, two Response to Intervention (RtI) paraprofessionals, and double-blocked math and writing classes at the middle school campus, a STAAR/EOC writing class at the high school campus as well as a credit recovery program for students who need additional time to earn credits. State Compensatory funds are also used to fund in-school intervention periods at all campuses, summer school credit recovery and intervention.

Supplemental services may include, but are not limited to tutorials, computer-assisted instruction, STAAR/EOC remediation, goal-setting sessions, study skill sessions, information meetings for parents and individualized instruction. Any program activities required by state law, SBOE rules or local board policies will not be paid with the requested grant funds and nor will state or local funds be decreased or diverted for any other uses because of the availability of these grant funds. TISD will maintain effective documentation which will demonstrate the supplementary nature of these funds. Each campus will provide in-kind support by hosting the center at their respective facilities.

Schedule #17—Responses to TEA Program Requirements (cont.)

County-district number or vendor ID: 014909

Amendment # (for amendments only):

TEA Program Requirement 2: Describe the proposed management, center operations, and corresponding budget plan. Explain how the plan will help meet the program objectives and student service targets. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

Proposed management: TISD, as the fiscal agent, has the sole responsibility of administering and managing the Texas 21st CCLC grant and is well adapt at managing large educational programs, coordinating service delivery and adhering to federal and state requirements while managing ensuring and providing high-quality programming for students. TISD has established a comprehensive management plan that includes all the necessary management elements and control functions to ensure an effective and efficiently program including on-going planning, financial accountability, communications, reporting, information management, human resources, resource allocation, evaluation and continuous improvement mechanisms. These functions will ensure delivery of accessible, quality, coordinated, age-appropriate, and culturally relevant instructional services to participants. **Management Staff:** Supervised by the Deputy Superintendent, the ACE Program will hire a full-time Project Director (PD) to provide the overall leadership and oversight to ensure high-quality programming for the participants of the program. Site Coordinators (SC) at each Center will be hired to coordinate and ensure high-quality project services are being implemented effectively at each Center. Each Site Coordinator will be responsible for supervising all phases of the program at their respective campus. A full-time Family Engagement Specialist (FES) will be responsible for planning, coordinating, and implementing culturally relevant family programming at each site. Certified teachers will be hired to deliver high-quality instruction to participating students aligned to the regular classroom instruction while para-professional and tutors will be brought on board to provide additional support to students and parents. **Center operations:** The ACE Program will be hosted at 10 campuses/community learning centers throughout the district including 6 elementary school, 3 middle schools and one 1 high school. The program will annually service a total of 1,475 students in Kindergarten – 12th grade and 785 parents. ACE Program activities will begin August 27, 2018, and will continue through Fall 2018, Spring 2019, Summer 2019, and ongoing thereafter, resulting in 37 total weeks of service including summer. **Regular School Year:** ACE Program services will be implemented for a minimum of 3 hours each day, Monday through Friday (15 hours per week) for 31 weeks during the regular school year. The ACE Program regular school year activities will begin effective August 27, 2018 and will continue through May 3, 2019. A schedule for the regular school year for the ACE Program follows:

Regular School Year Schedule (Monday – Friday)

7:00 AM – 7:30 AM (K- 5 th grades)	Morning tutorials
7:15 AM – 7:45 AM (6 th -8 th grades)	
7:45 AM – 8:15 AM (9 th – 12 th grades)	
3:15 PM - 5:45 PM (K-5 th grades)	Check-in/snack, tutoring, homework assistance, literacy/numeracy development, science activities, study skills, STAAR/EOC preparation, social-emotional learning, project-based enrichment activities, game time, dance, arts, music, recreation/sports/fitness, leadership/civic skills, college/career awareness will be held at each ACE Center.
3:45 PM – 6:15 PM (6 th – 8 th grades)	
4:10 PM – 6:40 PM (9 th – 12 th grades)	

Summer Schedule: The ACE Program will also provide an annual STEM Summer Learning Institute for 6 weeks from May 28, 2019 to July 5, 2019. The Institute will operate Monday –Thursday for 6 hours per day-8:30 AM – 2:30 PM and will provide opportunities for academic enrichment, including tutorial services to help at-risk students meet the challenging state academic standards. **Budget plan:** The ACE Community Advisory Team (ACAT) composed of stakeholders from the community and district developed the proposed budget based on program objectives and student services needed. Stakeholders attended a budget meeting because TISD felt that it was vitally important for stakeholders to understand the budgeting process for this program. The first meeting included a general overview of the cost worksheets provided in the PRIME Blueprint. Grantee and Center Level budgets were discussed regarding salary schedules, transportation costs, hours of operation for each center, behavior intervention programs, after school curriculums and other issues that would impact the budgeting process. The general management and administration of 21st CCLC Grant Program was discussed in detail outlining the responsibilities of the district. The ACAT asked representatives from campuses to develop a Per-Student Level budget. In two weeks, the budgets were submitted. The ACAT met again to develop the overall budget. Once the overall budget was developed, it was communicated with each campus and they were given one week to submit suggestions, corrections, and questions. Once all of the stakeholders were satisfied that this budget, based on \$457 per student costs, would meet the needs of the students, the budget was then approved by the ACAT and will be adopted by the TISD Board of Trustees upon grant award.

Schedule #17—Responses to TEA Program Requirements (cont.)

County-district number or vendor ID: 014909

Amendment # (for amendments only):

TEA Program Requirement 3: Describe the proposed program evaluation plan, including a description of how program evaluation results will be used to improve program operations and quality. **Response is limited to space provided, front side only. Use Arial font, no smaller than 10 point.**

TISD's ACE Program will utilize an External Evaluator to collect data on a continuous basis from each participating ACE Center. The evaluator will conduct formative and summative evaluations based on the process as outlined in the PRIME Blueprint for ACE Programs. Each year, a formative evaluation will focus on addressing whether or not the activities are being implemented as planned and whether the project is making progress toward achieving its objectives. Methods to collect qualitative and quantitative data for the formative and summative evaluation (in compliance with FERPA) include 1) Annual participant surveys (student, parents, teachers, administrators); 2) Center participating and activity logs (weekly); 3) types of programs and activities – topics frequency, participating rates, competencies gained (weekly); 4) number of students and parents being served at each Center (weekly); 5) comparison of pre-post records of participating students' academic performance and behavior (attendance rates – both in the regular school day and in the ACE Program- course grades, STAAR/EOC test results grade promotion, disciplinary actions, etc. – done monthly); 6) formal/informal observations by project staff, teachers, administrators (quarterly); 7) type of curriculum utilized (weekly); 8) other related program data to measure performance targets (monthly). 9) percentage of students on track to achieve or exceed their academic performance goals, attendance goals, behavioral goals, their promotion goals, and their graduation trajectory goals. Data on each performance measure identified by TEA will be utilized to assess project implementation against each objective. The summative evaluation will determine whether or not the ACE Program impacts 1) increased utilization of school sites beyond the school day hours in a safe environment; 2) reduced numbers of unsupervised children during the afternoons and during the summer; 3) reduced disciplinary incidents; 4) increase student academic skill levels and performance on standardized tests (STAAR/EOC); 5) increased parent involvement. Community partners, staff, teachers, student/parents will participate in the evaluation process through surveys, focus groups and formal interviews. The summative evaluation will be used compared to baseline data for each performance objective. The evaluator will analyze the data on a quarterly basis to provide feedback to Site Coordinators and the Project Director. This data will be used in data-driven decision-making for the TISD ACE staff. Ongoing formative evaluation ensures each Center will effectively achieve its goals and measurable objectives in the approved timeframe.

How program evaluation results will be used to improve program operations and quality: Stakeholders understand that evaluation is the process of analyzing data to assess what works and what does not work in achieving ACE Program goals. Research has shown that a focus on creating a high-quality program increases youth engagement and participation, which then increases the likelihood of youth improving on desired outcomes such as academic and social emotional skills. **Local Evaluation:** The TISD ACE Program will use **The Weikart Center's Youth Program Quality Assessment (YPQA)** a validated instrument designed to measure the quality of youth programs and identify staff training needs because stakeholders understand that data has no meaning on its own and meaning will be the result of human interaction with the data (American Institute for Research, 2017). The YPQA evaluates the quality of youth experiences as youth attend workshops and classes, complete group projects, and participate in meetings and regular program activities. For staff, the YPQA self-assessment and observation process provides insight into their programs and provides a roadmap for staff to build professional competencies. The focus is on the process of quality improvement and not just specific quality scores. The data is meaningful and will lead to program improvement through reflection and action planning. The data will assist staff in understanding best practices and provides them tangible ideas that they can begin to use immediately to make the program operate more effectively. The YPQA data collection process will feed into the annual planning for the program and staff and stakeholders keep the following in mind when developing an evaluation plan: 1) What gets measured gets done. 2) If we don't measure results, we can't tell success from failure. 3) If we don't recognize failure, we can't correct it; 4) If you can't see success, we can't reward it. 5) If we can't see success, we can't learn from it (American Institute of Research, 2017).

Schedule #19—Private Nonprofit School Participation

County-District Number or Vendor ID: 014909

Amendment number (for amendments only):

Important Note: All applicants (except open-enrollment charter schools and private nonprofit schools) must complete this schedule regardless of whether any private nonprofit schools are participating in the program.

Failure to complete this schedule will result in an applicant being disqualified.

Questions

1. Are any private nonprofit schools located within the attendance area of the public schools to be served by the grant? ☒ Yes ☐ No

- If your answer to this question is yes you must answer question #2 below.
- If your answer to this questions is no, you do not address question #2 or the assurances below.

2. Are any private nonprofit schools participating in the grant? ☐ Yes ☒ No

- If your answer to this question is yes, you must read and check the box next to each of the assurances below.
- If your answer to this question is no, you do not address the assurances below.

Assurances

- ☐ The applicant assures that it discussed all consultation requirements as listed in Section 1117(b)(1), and/or Section 8501(c)(1), as applicable with all eligible private nonprofit schools.
- ☐ The applicant assures the appropriate Affirmations of Consultation will be provided to the TEA Private Schools Ombudsman in the manner and timeline to be requested.
- ☐ The applicant assures that the total grant award requested on **Schedule #6—Program Budget Summary** includes any funding necessary to serve eligible students from private nonprofit schools within the attendance area of the public schools to be served by the grant.
